ITEMS NEEDED TO PLAY:

long twine, some gift from the princess as prize

1. The main aim is to save the princess.

2. There is only one princess, one monster.

Other players are divided into groups of two or three (depending on number of players).

3. The players have to reach the princess to save her.

They start game about 10-15 metres in front of the princess and they have to move towards her slowly with tied ankles.

Game users can set any obstacles between the players and the princess. A group which first reach a princess win a gift from her (What will be a gift all players have decided before a game).

4. The monster wakes up every 10-15 seconds and at that moment the princess warns players about that screaming "Watch out" (or something like that) and the players have to stand still so as to not being 'captured'.

5. The players can move only when the monster is sleeping and when he is awake they have to stand still. Who makes any movement when the monster is looking at the players, loses with his whole group

ROLES:

Princess:

– she just seats and warns players about danger from the monster

Monster :

– it stay opposite to players and looks scary

Story about...
THE SCARY MONSTER IN TOWN
(SMIT)

Long, long time ago in small town on the coast of Baltic sea

lived Prince who had a beautiful fiancé

who had a long blonde hair and blue, like a sea, eyes ...

One day, when they have come to a haunt,

a very ugly and scary monster show up. He had three eyes,

four hands. He was coming from his cave on the swamp.

He captured the princess and for years

the princess was imprisoned.

Prince tried do everything to free the princess. But all knights lost

“the game” with a monster and died on the swamp...

One day he gave a message to Darlowek (the capital of sweet kingdom
of the coast of Baltic Sea) where are living the famous knights team.

We hope that this mission will be successful

and monster will be defeated!
